

Official Dress Code

Below is our school uniform policy complete with photos and explanations to assist parents in purchasing school approved uniforms. You may now purchase from more than one school uniform company to provide options for different body types. The administration reserves the right to determine if any article of clothing is inappropriate for school wear if the item is too small, too tight or too short for example. In this case, parents will be contacted to bring a change of clothing for the student, or they will have to purchase an appropriate item from our school store.

Girls are expected to dress like girls and boys are expected to dress like boys.

SPIRIT DRESS/FREE DRESS Kindergarten - 12th Grade

Free Dress - On occasion students may wear “free dress”. For example spring pictures day for Pre-K – 11th grades and Junior High field trips to see a play. Students must wear gender appropriate clothing. Girls should dress like girls and boys should dress like boys.

Spirit Dress - The point of spirit dress is to show school spirit by wearing FCS spirit clothes or school colors.

Students who fail to follow these guidelines will have to change. Parents will be called to bring new pants. If the parent is unable to come, FCS will sell the student a spirit shirt and/or uniform pants/shorts from the school store, if available.

FCS reserves the right to revoke a student’s participation in Spirit Dress Fridays if these guidelines are not respected/followed.
